ORDER DISMISSING CASE,
CERTIFYING AN APPEAL WOULD NOT BE TAKEN IN GOOD FAITH
AND DENYING LEAVE TO APPEAL *IN FORMA PAUPERIS*

On February 22, 2021, the Court issued an order dismissing Plaintiff Sancho Jermal Perry's *pro se* complaint and granting leave to file an amended complaint. (ECF No. 6.) Perry was warned that if he failed to file an amended complaint within twenty-one days, the Court would dismiss the case in its entirety, assess a strike pursuant to 28 U.S.C. § 1915(g), and enter judgment. (*Id.* at PageID 35-36.)

Perry has not filed an amended complaint, and the time within which to do so has expired. Therefore, this case is DISMISSED with prejudice in its entirety, and judgment will be entered in accordance with the February 22, 2021, order dismissing the original complaint for failure to state a claim on which relief may be granted. Perry is assessed his first strike under § 1915(g). This strike shall take effect when judgment is entered. *See Coleman v. Tollefson*, 135 S. Ct. 1759, 1763-64 (2015).

The same considerations that led the Court to dismiss the complaint for failure to state a claim also compel the conclusion that an appeal would not be taken in good faith. It is therefore CERTIFIED, pursuant to 28 U.S.C. § 1915(a)(3) and Federal Rule of Appellate Procedure 24(a), that any appeal in this case by Perry would not be taken in good faith. Leave to appeal *in forma pauperis* is DENIED.

The Clerk is directed to prepare a judgment.

IT IS SO ORDERED.
